Residency Regulations

Residency for Tuition Purposes: Oregon State University makes residency determinations for students taking OSU courses based upon the rules of Oregon Administrative Rule (OAR) 580-010-0030. The community colleges make residency determinations for students taking community college courses based on different rules. Please note: both determinations are independent of each other and do not impact the partner institution's decision. For more information, contact the admission office at the respective schools on the specific residency policy.
